To

The Chief Secretary to the Govt. of His Highness
the Maharaja of Mysore,
BANGALORE.

Sir,

Adverting to your Official Memorandum No.G.497-8/P.P.145-19-6 dated 7th instant requesting to send proposals and estimates for works in connection with the ensuing visit of His Royal Highness the Prince of Wales, I have the honor to forward herewith a statement of estimates aggregating Rs. 119,743/- for the various urgent works to be attended to both in Bangalore and Mysore.

2. Statement No.1 contains ~~wk~~ items which have to be done by the Garden Department. Those items for which estimates are already sanctioned but held in abeyance for want of funds are shown separately from those that are newly proposed. In the interest of the good appearance of the lawns, roads, etc., both in Lal-Bagh and Cubbon Park and the general effect, it is very necessary that all the works should be taken up and completed. The items, are however, --- numbered in order of urgency.

3. Statement No.2 :- This consists of works generally --- undertaken by the Public Works Department and it is requested that this statement be made over to that Department with the necessary --- directions.

4. On receipt of Government Order as to whether all the

the works are to be taken up or only such as Government may be pleased to select the necessary detailed estimates will be -- submitted. It should however be pointed out that those works marked with an M in the urgency column should be undertaken -- during the monsoon and early orders in this case is necessary.

5. A second copy of the ~~works~~ list, arranged in order of urgency is attached to make the matters clearer.

I have the honor to be,

Sir,

Your most obedient servant,

Superintendent,
Government Gardens.
